

REACH DECLARATION

Date : 18/05/2026

Reference to the REACH regulation (EC) No 1907/2006 of the European Parliament and of the Council of 18 December 2006 and its amendments,

Kartonnage Lefevere-Beel,

declare to be in accordance with

- * EU REACH SVHC in the Candidate List of Authorisation published on February 4, 2026
- * EU REACH restricted substances listed in REACH Annex XIV and Annex XVII : Reach Restricted Substance List update 10 June 2025

The products we are using for manufacturing are considered as preparations. Thus, according to REACH we are a 'downstream user' of preparations. Considering the fact that we buy our preparations in the European Union, we are once again exempted of the duty of registration, evaluation or authorization imposed within the framework of REACH.

We commit ourselves to check that the companies supplying these preparations are registering our application as intended use according to the REACH definition.

We also trust that our statement is an answer to all your enquiries, questionnaires and concerns related to REACH within the framework of our collaboration.

However, we are at your disposal for any additional questions.

Sincerely yours,
